

Resolution 2021-013 Expenditure Plan for Expanded Learning Opportunity Grant

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF OAKLAND SCHOOL FOR THE ARTS that OSA will be allocating a total of \$487,714 funding from the Expanding Learning Opportunities grant over the next two school years. Funding will be allocated to the following categories:

1. extending instructional learning time
2. accelerating progress to close learning gaps through the implementation, expansion, or enhancement of learning supports
3. supports for credit deficient students to complete graduation or grade promotion
4. increase or improve students' college eligibility
5. afterschool support/enrichment opportunities
6. additional academic services for students
7. training for school staff on strategies to engage students and families in addressing students' social-emotional health and academic needs.

These categories have been determined through stakeholder surveys, faculty/staff input, and identified academic and socio-emotional needs. Specific allocation amounts will be presented in detail as a supplement in the upcoming budget.

BE IT SO RESOLVED at a public meeting, properly noticed, with a quorum present on May 22, 2021.
